

- a) DPC agreed at the December 2018 meeting to appoint John Webster to construct the entrances, however work cannot begin until the Planning conditions have been discharged.
- b) We are still awaiting the SCDC decision to discharge the conditions, but this is dependent on their approval for the entrance works. The technical drawings were submitted to Highways before Christmas, but in spite of DPC chasing up with both Highways and Planning, due to the holiday period in between, we have no news as yet.
- c) The Landfill Communities Fund (LCF) have kindly agreed to extend the deadline for our application for £50K funding for the build until the end of January.
- d) DPC agreed at the December 2018 meeting to fund the 11% required by the LCF to secure the £50K (£5,500) from S106 green space monies.
- e) The draft maintenance contract to cover grass and hedge cutting is presented at this meeting for discussion. Subject to completion of the build, this could be put in place by April 2019.
