

- Ashley has cut the field in time for the weekend at no charge – sincere thanks from DPC.
- Landscaping will begin next month. We will soon meet the landscaper to sign the contract and agree a schedule for the works.
- We now have the facility to collect donations by SMS for Friends of Duxford Green Spaces (FODGS) – see separate flyer.
- We will hopefully have a collection on the field at least one of the days of the weekend and distribute flyers.
- The central vehicle gate will be opened at the weekend, but with otherwise remain locked, with keys held only by the appointed contractors and Duxford Parish Council.
